Dear Mr. Beckman,

I wanted to thank you for the wonderful magic show you performed for us. It was of a very high quality and you performed with great grace, concentration, and flair. Personally, I've never seen anything quite like it. You captured the audience's attention easily and stumped us with how you managed to accomplish your act. The levitation of various objects was especially impressive. After the show, I saw many people inspect your props and shake their head in wonder. I also heard many people say they would like to hire you for future events. Well done!

On a more personal note, I'd like to thank-you for your professional manner. You were a pleasure to work with and everything was very easy to organize. You were punctual, flexible and easy to communicate with. Furthermore, you were approachable for the audience members. You set everyone at ease. I will keep your contact information for future events and won't hesitate to recommend you to friends or colleagues.

All the best,
